

Dear Unit Owner,

The monthly statement you are receiving offers the capability to sign up for eStatements instead of receiving a printed paper statement in the mail. The statement contains a Registration ID similar to what is shown below and can be used when the homeowners go to <http://www.estmt.net> website. This is the homepage where you can register for eStatements, and after the initial registration, can view and pay your statements online.

To receive future statements electronically,  
visit <http://www.estmt.net>

Your Registration ID: 1104-9951-5k8e

DESCRIPTION OF CHARGES				
12/01/09	Charge	Monthly Assessment	\$ 225.00	\$225.00
12/01/09	Charge	Pool Dues	\$ 35.00	\$260.00

When registering, go to <http://www.estmt.net> and you will see the screen below to enter your Registration ID.

You will be required to enter your name exactly as it appears on the statement, provide an email address to receive the notifications, and also setup a userID and password to log on to the eStatement website. Once you've completed the registration, you will receive a confirmation email that you must click the link in that email as the final step of registration.

**PLEASE NOTE** – When the email notification is sent regarding eStatement availability, the tenant has 15 days to log on to [www.estmt.net](http://www.estmt.net) and pick up the statement, or their statement delivery settings are automatically changed to receive a printed statement. The tenant will need to log on and go to the settings tab and under the Statement Delivery section change back to receiving eStatements again, if this happens.
